Comments (Access to housing and support)

Although the figure is lower than we would expect the exceptional circumstances outwith the control of our Housing Management service is that 2 tenants moved on to purchase their own property as they secured employment. We did 2 management transfers owing to improvement works. 1 Was a long term decant owing to lifestyle issues that social work helped us with in cleaning and repairing the flat. We started a new tenancy at the behest of the tenant but they discovered that their health did not support living 1 floor higher. 2 other tenants decided to move away.
