

Bulk Uplift Consultation

I have read the article about the new bulk uplift service proposed and understand the options provided.

I would like to remain with the status quo and pay £35 to Glasgow City Council each time I have bulk items for uplift. I understand it will be my responsibility to get in touch with the Council when I have something to be uplifted, that I can include up to 10 items. I will detail all items to the council and pay the £35 at the time of booking.

NO	<input type="checkbox"/>

I would like CDHA to provide this service from February 2021, I will be able to put my bulk out and advise the Association it is there. If I am an owner or private landlord I understand I will be charged £35* per annum and if I am a tenant I understand this service will be paid through my rent.
